

THE AMERICAN LEGION RIDERS

Riding for America's Future

American Legion Riders support our nation's veterans, children and the communities they call home. Riders total thousands of miles each year, and raise millions of dollars for local and national charities.

Are you a wartime veteran, or the descendant of someone who served since World War I? If so, you may be eligible to join us and ride with other veterans and family.

For more information, contact your local American Legion post, or visit www.legion.org/riders.
